On March 10, 2003, Applicant filed a Supplemental Information Disclosure Statement in the above-captioned matter. In the Supplemental Information Disclosure Statement, European Patent Application No. EP 0 053 780, which was published on June 16, 1982, which had been cited in a French Search Report dated January 24, 2003, was brought to the Examiner's attention, a copy thereof was provided to the Examiner, and a Form PTO-1449 was also provided.

Also provided was an English language abstract of European Patent Application No. EP 0 053 780, also cited on the Form PTO-1449. Although all of the patent documents were initialed, the English abstract translation was not initialed on the Form PTO-1449. To complete the record, Applicant assumes that the English language abstract

of the European Patent Application was considered by the Examiner during consideration of the underlying document.

Should the Examiner have any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,  
Yoshimi OBARA
